6) Drawing/Marking: Draw in **only white** markings. See website for additional help. All wording go in Section 1) only.

Draw & color in all white marking on head, legs and body. Do not draw in black points on Bay/Grey If no markings are shown here, you must write none on Page 1 Section 1). Mark all scars, and whorl (A whorl is hair growing outward from a central point). Draw all brands and where they appear. Do not write in this section. All writing is to be done in Section 1). The Marking/Drawing will be scanned and inserted on to the certificate. If you need additional assistance, see our website www.IberianWarmblood.com

IT IS SUGGESTED THAT YOU USE LIGHT PENCIL MARKS UNTIL YOU HAVE
CORRECTLY REPRESENTED THE MARKINGS AND THEN TRACE OVER THESE WITH
BLACK INK.

Use these examples to complete the drawing and to
detail the markings description on Page 1, Section I.

DOCUMENTATION NEEDED: The horse being registered with the IWRI must verify carrying a minimum of 25% Andalusian and/or Lusitano bloodlines from one or both parents. This application form must be completed and signed. If signatures from original breeders are not available, application must be accompanied with a signed 'Bill of Sale' identifying parentage and legal owner OR a copy of registration papers from a recognized registry. Include a clear copy (Front AND Back) of the Andalusian sire and dam's registration papers, as is applicable. We do not accept the pedigree from all breed pedigree or any unofficial group, only from the registry itself.

PEDIGREE OF NON-ANDALUSIAN PARENT: In order to appear on the IWRI certificate a Front AND Back copy MUST accompany this application. Registry Certificates must have matching horses name, number and owner listed on it. We do not accept the pedigree from all breed pedigree or any unofficial group, only from the registry itself.

FEES: (U.S.D.) must accompany application. See website for current fees. We also accept credit card payments online only.

RESTRICTIONS: Breeding stock with bloodlines having historically defective genetic carriers will be required DNA testing to rule out specific genetic defects.

DNA Profile/Parent Verification: *Beginning 1/1/2022 new registrations will require DNA profile/parent verification to their Andalusian side parent(s).
